

Meals on Time

A good oil stove gives full heat just as soon as it's lighted. There's no waiting for the fire to catch up or the oven to heat. Meals can be started later and still be served right on time. That means less work and less time in the kitchen.

New Perfection OIL COOK STOVE

burns kerosene, the clean, cheap fuel and gives an intense heat that can be regulated just as you want it. It does all sorts of cooking and baking just as well as a wood or coal stove—and without tainting the food. Don't cook in a hot kitchen this summer. Don't lug coal and wood and ashes. Get a New Perfection. It saves all this trouble and it's economical, too. Ask your dealer for the New Perfection.

KILLED IN MINES.

Instant Death Comes to Mexican and American Caught in Large Slide of Earth and Stones in A. C. Company's Mines.

Daniel Kayner, an American timberman, and a Mexican companion named Simon Morales, were instantly killed early Sunday evening by being caught beneath a slide of earth and stones in the A. C. company's Humboldt mine, near Morenci. The Mexican had resided for some years at Morenci, and is survived by relatives here. His funeral was on the afternoon of Monday, at the Morenci cemetery. The body of Kayner was embalmed and shipped Wednesday to his former home in Omaha, Nebraska, instructions from his relatives there being received here to that effect.

Assists Cashier Williams—
S. C. Bradford is now employed as assistant to Jno. D. Williams, cashier of the Morenci State Bank. The native place of Mr. Bradford is Columbus, Ohio, where he was for several years engaged in the banking business. From Columbus he went to Clifton, where he was employed in the office of the Shannon Copper company, leaving there to accept the place with the Morenci bank.

As Jurors—
Manager De Moulle, of the Morenci Water company, and John Kiddie, assistant mine manager of the A. C. company, are serving this week as trial jurors at the county court in session at Clifton.

Writes Insurance Map—
Chas. W. Seidel, representing the Sanborn Map company, of San Francisco, has been in Morenci this week for the purpose of drawing a revised insurance map of the buildings of the town. He states that Morenci's substantial growth during the three years that have elapsed since he last visited here is proven by the many new records, which is for the facilitating of insurance writing. Before coming here he was at Clifton, where he spent two weeks in revising the maps covering that place. His work there was difficult because of the destructive fire which several months since destroyed Chase Creek, and because of the construction of many buildings in other portions, especially Hill's Addition, of the town. From Morenci he will go to Duncan, there to compile information for the first map of this nature ever made of the town.

From Across the Sea—
A romantic and double wedding cast with romance of Old England was solemnized at Clifton on the evening of Monday last, with Messrs. Thos. J. Hutchings and Wm. J. Gillard, both of Morenci, as grooms, and Misses Dennis and Wivell, of England as brides. Former schoolmates to their brides from across the sea, a correspondence had been continued during the more than three years that both grooms have resided in Morenci since leaving their native villages, and their brides-to-be, in England. Mrs. Jas. Bennetts, of Morenci who with her children, has been visiting at the homes of relatives and the brides at her former home in England for the past several months, was accompanied with her children and two brides on the voyage across the Atlantic and to Clifton, arriving there on Monday last, and where the party was met by Mr. Bennetts and the grooms, immediately after which all journeyed to the home of Rev. and Mrs. Love, from where the party went to the Presbyterian church, where the ceremony by Rev. Love, the pastor, was consummated. Morenci will be the permanent home of the contracting parties. Messrs. Hutchings and Gillard are employed here by the A. C. and D. C. M. companies, respectively, and have many friends in Morenci who are still offering congratulations to the winners of the fair brides from their native England.

For Constable's Office—
In the Era of last issue appeared the formal announcement of Geo. W. Whittaker as a candidate, subject to the approval of the September democratic primaries, for the office of Constable of the Morenci precinct. Mr. Whittaker for several years has resided at Morenci, where he has been employed in electrical and cement construction. He has numbers of friends who advance much support in his race, and who are of the belief that the town's enforcement of the law would be in good hands in the event of his election.

Base Ball Strengthened—
A new pitcher for the Morenci Moun taineers is E. Stephens, now employed with the A. C. company, and who is reputed to be of professional skill in the diamond. He will be given the preliminary heats at practice before the Morenci boys meet the Clifton Mudcats on the Clifton grounds next Sunday.

Return from Phoenix—
Mr. and Mrs. Frank C. Martin, accompanied by the Mrs. Chrisman, Mrs. Martin's sister, returned Tuesday from a automobile tour that included Phoenix and adjacent points. A stay of several days was made at the Roosevelt dam.

Lally Determined—
Judge Lally states that he is unqualifiedly in the field for the office of Justice of the peace of Morenci's precinct, and that he will soon begin a campaign that will be marked with energy surprising even to the seasoned politicians.

LEECH ENTERS THE RACE FOR OFFICE OF JUDGE

Announcement of A. C. Leech for office of Justice of the Peace Brings to Total of Four of Those Citizens Who Will Contest for Office.

The announcement elsewhere in these columns of A. C. Leech for the office of Justice of the peace of the Morenci precinct brings to a total of four those of the town's citizens who are avowed in their candidacy for the judicial office. These four are Messrs. Ashley, Leech, Catlin, and Lally, the present incumbent. And indications are that yet others will be found in the quest for the office before the political preliminaries are greatly advanced, although no definite statements have been publicly made as yet by others. The citizens mentioned are all of the democratic persuasion, leaving yet to reckon with the nominee of the republicans.

The candidacy of Mr. Leech is meeting with marked favor among his many friends, and his power in the contest is known to be of moment. For eight years Mr. Leech has been a citizen of the town, and throughout that time has made a record as a substantial and constructive citizen of strong ideals of public affairs. During his residence here he has been employed as a building contractor, being in charge entirely of the construction of the Morenci Realty company, in addition to other and independent work. Always a democrat, never having voted for any candidate of any other political affiliation, Leech's adherence and fealty to his party is that of a loyal member, and his strength as a party man is expected to reckon in the present campaign.

Great Fire Works Display—

At the meeting held at the offices of Judge Lally on the evening of Friday, May 29, for the purpose of perfecting arrangements for the holding of a perfectly successful program in honor of the Fourth of July, a decision was reached that Morenci on the night of the 4th will witness one of the most gorgeous displays of fireworks ever staged in Arizona. An expert in illuminants will be brought from Los Angeles for the superintending of the display. More than five hundred dollars will be spent for this feature of the day, and which will continue for more than two hours, and will from the vantage heights above Chihuahuah Hill, light the town of Morenci and the countryside for many miles around. This easily promises to be one of the most entertaining events ever brought to a conclusion in Morenci, and is already attracting much interest among the people. This feature, in addition to the many others all of which will be held on a magnificent scale, will make of the coming day of patriotic celebration one long to hold in the memories of the attendants. A complete program will be arranged at the next meeting which will be held at the courthouse on the evening of Friday, June 5th.

C. E. Tyler, Clifton's life insurance man, was here Wednesday.
